NO VIDEO TAPING. NO PHOTOGRAPHY

Shutter Storm Photography and Video will be digitally capturing Encore's competition weekend. **Photos and Videos are available ON-SITE only and will not be available post event.**

SCHEDULE

Monitor the Performance Schedule closely. Dancers should be ready to perform one and one-half (1 1/2) hours prior to their scheduled performance times. We often run ahead of schedule. All entries must check in with the Encore Stage Manager no less than 6 numbers ahead of their scheduled performance time.

- If you anticipate a problem with time for costume changes, notify the Encore Stage Manager immediately. Arrangements will be made to accommodate you.
- Do NOT leave valuables unattended – ANYWHERE!! Please do not leave litter in the theater or dressing areas.
- Please remember this is a "Theatrical Performance". Out of consideration to your fellow dancers, please make an effort to make entrances and exits of the theater house only between dance numbers. Be supportive of all Studio entries with enthusiastic applause. We would like to maintain appropriate theater decorum.
- Please do not "block off" or "save" seats. Fire code prohibits sitting in the aisles or blocking doors and stairways.
- During Awards – All dancers are invited to sit on stage. **ONLY DANCERS ARE PERMITTED ON STAGE, NO PARENTS, FRIENDS, ETC.**
 - Solo Medals – presented to Solo Dancers
 - Group Plaques & Pins – presented to Group representative to accept for group.
 - Overall Group Trophies and Studio Commemorative Plaques
NOTE: Only one dancer will serve as the Group Representative to accept the plaques & pins. Please pre-determine who this dancer will be as the Awards Ceremony moves quickly.
****Studios that are participating in the "Trophy or Charity" program will be presented with certificates from St. Jude in lieu of Overall Group Trophies.****
