

**All Encore events are currently on hold.**

Encore is collectively working with 60+ leaders in the competition/convention industry from across the U.S. in response to the COVID-19 virus that has so adversely affected the dance community. We are communicating directly with our studio clients for updates as we move forward. Your Encore family is with you 110% and together we will unite and remain strong. Sincere thoughts and prayers are sent for everyone in this challenging time.
